

Stretton Share - Registration Form

What is it?

Most of us have items in our house, garage and shed which we only use occasionally – pressure washer, camping equipment, wall-paper stripper etc. The idea of Stretton Share is to have a list of items, which we are willing to lend to others within the village. We will compile a list of what is available and who to contact to borrow. The list will be on the village website, on the notice-boards and can be sent to you by email. It will be updated regularly.

How does it work?

We are asking households who think they may be interested in lending or borrowing to fill in this form to join the scheme – no charge to become a member. You will then be given a list of the lenders and their contact details. You will contact the owner of the item directly to borrow it – and agree for how long. We are asking for a small donation (£1-£2) for smaller items and between £5 and £10 for larger items. The donations are to be paid to Stretton Share to be used for maintenance or repair of electrical and mechanical items. Put your donation in an envelope and drop it into the letterbox at the Village Hall.

Disclaimer

The borrower uses any item borrowed under Stretton Share at his/her own risk. If you want the lists and other information on Stretton Share to be emailed to you then make sure you agree to this below (GDPR regulations). We will not use your email address for any purpose other than to inform about the project. If you are prepared to lend items, then we will need your phone number and/or email to pass on to the lender. Any general information will be sent out blind-copied to safeguard your anonymity. You can unsubscribe at any time.

To join the scheme please complete the following:

Name

Address

Email and/or phone number

I have read the above and agree to abide by the terms. I consent/do not consent to emails being sent to me on the subject of Stretton Share

I confirm that I am aged 18 or over
